

Join us
April 20th and 21st
in Hampton, VA

For the 4th Annual

Jacobs Technology Days

in conjunction with the

Hampton Roads Unmanned Systems Opportunity Exchange

Join us at the Hampton Roads Convention Center for an event focused specifically on efforts to advance unmanned systems capabilities, technology commercialization, and regional economic growth.

April 20 - 21, 2017

Explore collaborative opportunities and play a key role in developing and cultivating statewide:

- access to innovation sources
- advanced technology, and
- new unmanned system markets

This open to the public event will feature unmanned systems panel discussions with a wide range of both research & development and technology-affiliated organizations; exhibits from local and regional companies; and exceptional keynote speakers!

Registration is required to attend this FREE EVENT.

Register today at <https://tinyurl.com/h79onw7>

(NOTE: An option to purchase lunch will be offered when you register.)
